Annual Conference 2024

DeVos Place Convention Center Grand Rapids, Michigan July 3-7

The Annual Conference of the Church of the Brethren has taken place for over 230 years. It is part business meeting and part family reunion where folks come together for worship, fellowship, and discerning the business that comes before the wider church. Coming together for worship is at the heart of Annual Conference. There are five worship services during Conference – one each evening and a closing service on the last morning. Preachers are selected from across the denomination as well as nationally known speakers, authors, and ministers. The Worship Planning Team includes a variety of worship styles throughout Conference. A Conference Choir is created each year from the attendees and participates in the worship services. Worship services are open for anyone to attend whether they are registered for Annual Conference or not.
